

2026 Payroll Schedule for Direct Support Professionals

Documentation for Payroll: DSPs will follow the documentation instructions to document according to their designated Recipient's plan. When the DSP arrives at the Recipient's home they immediately start their documentation to begin their visit. When the DSP has completed the visit, they immediately end their documentation as directed.

Corrections, Additions and PTO submission deadlines: Any corrections, missed documentation or PTO Submissions are due to the Rochester office by 3:00pm every Friday following the pay week by emailing the Personal Support Services Program at pcaprogram@semcil.org or by calling # 507-285-1815 and asking for someone in the Personal Support Services Program. Please ensure your corrections are clear and provide dates, times, codes, and any reasons for being unable to complete your documentation at the time of the visit.

Holidays shown below are paid at a rate of time and one half when worked.

* If a pay day lands on a holiday, pay will be available on the day after.
