

About SEMCIL and Boundless

Founded in 1981, the Southeastern MN Center for Independent Living (SEMCIL) is a nonprofit organization led by people with disabilities, for people with disabilities. Grounded in the Disability Rights Movement and Independent Living Philosophy, SEMCIL works to ensure all people have the freedom to make their own choices, live independently, and fully participate in their communities. Through advocacy, peer support, skills training, and transition services, SEMCIL empowers individuals to overcome barriers and achieve their goals.

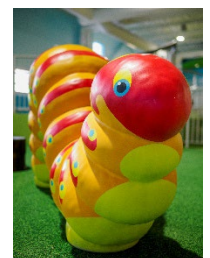

Expanding this mission, SEMCIL created Boundless - a first-of-its-kind, 40,000-square-foot inclusive indoor playspace and activity center in Rochester, MN. Designed for all ages and abilities, Boundless provides a space where individuals can play, learn, and connect without limitations. Every element - from sensory-friendly environments to adaptive recreation spaces - was created to foster dignity, inclusion, and opportunity.

Boundless represents the best of our communities - innovation, compassion, and excellence. We truly believe the social and physical benefits of play are important to all individuals of all ages.

Your Impact

We are currently embarking on a Capital Campaign to support our mission and continue the impact of Boundless and SEMCIL. Boundless is more than a playground - it's a vital community resource and a model for inclusive design. As we grow, your support is essential to sustaining and expanding this work. Funds raised will:

- Expand programming and play opportunities
- Sustain daily operations and maintain this innovative facility
- Provide scholarships to ensure access for individuals and families facing financial barriers
- Support SEMCIL's core services and mission, helping bridge critical funding gaps beyond grant support

We invite you to visit Boundless for a tour and to learn more about our mission. Contact us via email or phone to schedule time. Together, we can ensure that individuals of all abilities have access to the resources, spaces, and support they need to live, play, and thrive—without barriers. **Welcome to Boundless, it's time to play.**

Sincerely,

The SEMCIL and Boundless Staff

PLAY WITHOUT LIMITS. BUILD A COMMUNITY WITHOUT BARRIERS.

WHO WE ARE

A nonprofit led by people with disabilities, for people with disabilities.

WHAT WE BELIEVE

Everyone deserves the freedom to live independently and fully participate in their community.

WHY IT MATTERS

We remove barriers and create opportunities through advocacy, support, and innovation.

BOUNDLESS

A one-of-a-kind, 40,000-square-foot, fully inclusive indoor playspace and activity center in Rochester, Minnesota.

Every detail—from sensory-friendly environments to adaptive recreation—has been thoughtfully designed to foster inclusion and connection.

With expanded programming ranging from family-friendly events to inclusive gaming and adult recreation, there's truly something for every age and every ability. Welcome to Boundless—it's time to play.

YOUR IMPACT

- Expand Programming** – More inclusive events
- Sustain Operations** – Maintain this innovative facility
- Provide Access** – Scholarships for families in need
